

## Friends That Care Oct., 2008 Fundraiser

Fundraiser held on Oct. 25, 2008 in the front parking lot of El Cholo Plaza to benefit Juvenile Diabetes Research Foundation and Pancreatic Cancer Action Network. The two causes came together as six business people brainstormed about a fun event that could raise money to help find a cure for these diseases.

Specifically, we honor Kathie Myers who lost her battle with Pancreatic Cancer on June 3rd, 2008, and we continue to support Mikayla & David Thornley in their on going challenges with Juvenile Diabetes.

The cake walk was the hot ticket for a \$2.00 donation. Scott Olson of Audio Drops, (far right with microphone in hand) did a great job creating excitement for the cake walkers.

Delicious goodies, homemade & donated items, were waiting on the cake walk table located inside Primarily Hair. YUM!!!!

Photos taken by Bart Boese Photography. Proceeds from the photo sales donated to JDRF & Pan Cancer.
