Story of Fresh Look for 08' and Locks of Love

Karen Before

Primarily Hair's clients Jennifer and Karen decided to get an early start at a fresh look for 2008. Jennifer had been growing her hair to donate to 'Locks of Love'. That first cut is always a *shock!* The finished cut is more flattering to Jennifer and easy for her to maintain.

Karen's layers were dated and she longed for something new that would be easy for her to reproduce. Donna remarked "Karen was ideal for this angled bob: It suits her hair type and personality perfectly." Karen added "Everyone at work has complimented me on my cute cut!"
